

CONTRACT COLLECTION

ŠKERJANC

ŠKERJANC a company specialised in the production of chairs, tables and garden furniture with also a wide range of office, hotel, restaurant and bar furniture as well as gastro equipment. Škerjanc's quality and services are the focal point for our customers.

Our production is driven by design, quality, functionality and durability. Škerjanc today is able to produce and export a wide range of products all around the world.

Every year the best collections are selected based on the market demand. Thanks to our team and designers we are able to provide a wide range of products tailored to our customers needs.

ŠKERJANC, furniture with a story since 1993.
